HAPPY VALENTINES DAY!  
DENTAL HEALTH MONTH

## NOTE FROM OUR DIRECTOR...

Wow! Time is flying by us. As we move into February, we have a wonderful opportunity to spread God's love among those close to us, especially our children. We want the children to know that as Christians we need to let the love of Jesus shine through us in all that we do everyday. The Bible has a lot to say about the true meaning of love, below is one of the best definitions of love that you may discuss with your child. We pray that Jesus will fill your hearts with His Perfect Love and that you will allow Him to shine through you in all that you do. Happy Valentine's Day to all of you!

### "A Definition for Love"

*Love is patient. Love is kind. It does not envy. It does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered. It keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres...*

1 Corinthians 13:4-7
