### NOTE FROM OUR DIRECTOR...

As our school year is winding down, we are enjoying our last weeks with your child. as well as teaching them. Parents you must be anxious to see your child get promoted to the next level, but you are not as anxious as your child. We are all very excited to say that your child has been training and learning and he/she is ready to move on. It has been a blessing for me to be the director and to meet all the supportive parents, who have been here throughout the year. But the best part is meeting your wonderful children and watching how they blossom day by day. On that note, I would like to thank all the parents and grandparents that took their time to sell from our Spring fundraiser. We appreciate your help and support. We made \$539 to help support our Preschool.

Parents May 3-7 is Teacher Appreciation Week, lets not forget the role that each of them play in each child's life. Thank Your child's teachers for all that you do!

*"A Mother holds her children's hands for a little while and their hearts forever."*

*Happy Mother's Day*

*Thank you Teachers for all that you do...*

Thank you for the love, care, and attention that you give to each of your children.

*We appreciate you!*
